ORDINANCE NO. 1 3rd SERIES

ORDINANCE AMENDING TITLE 5 CHAPTER 52 OF THE CITY CODE ENTITLED "WATER SERVICE"

THE CITY COUNCIL OF THE CITY OF CHISHOLM DO ORDAIN AS FOLLOWS:

Section 1 City Code, Title 5 Chapter 52, Section 52.04, entitled "Service Pipes," is hereby amended as follows:

Section 52.04. Every service pipe must be laid in a manner so as to prevent rupture by settlement. The service pipe shall be placed at a depth determined by the City Engineer, below the surface in all cases so arranged as to prevent rupture and stoppage by freezing. Frozen service pipes between the curb stops and the building shall be the responsibility of the owner. Service pipes must extend from the curb stops to the inside of the building; or if not taken into a building then to the hydrant or other fixtures which they are intended to supply. A valve, the same size as the service pipe, shall be placed close to the inside wall of the building, ahead of the meter and well protected from freezing. Type "K" copper tubing shall be used up to and including two-inch services. Joints on copper tubing shall be flared and kept to a minimum. Not more than one joint shall be used for a service up to 70 feet in length. All joints shall be left uncovered until inspected. All services of more than two inches in diameter shall be composed of cast iron mechanical joint pipe. Minimum size connection with the water mains shall be three-fourths inch in diameter for single occupancy residences and one inch in diameter for all other establishments.
(1994 Code, ' 3.20.4)

Section 2. All other provisions shall remain in full force and effect without modification. or amendment

Section 3. The effective date of this ordinance change shall be the date following the last date of publication in the City of Chisholm's official newspaper.

Moved by Councilperson Cook and seconded by Councilperson Drow that the foregoing ordinance be adopted.
